

# FOUNDATION

Distance learning: includes interactive sessions on Social Innovation and personal development via the Amani online learning platform, self-study and as various assignments. Through regular interactions, you will start building a network with your peers from São Paulo, Brazil, and Nairobi, Kenya.

# IMMERSION

While building Communication, Leadership, Problem Solving, Management and Entrepreneurial skills with international experts and speakers, you will create a social innovation and work with a local organization through an apprenticeship or consulting project. You will also participate in intensive learning trips and site visits. Finally you will deepen your leadership skills for your changemaker journey.

# ACCELERATION

Consolidate and deepen your Amani Institute experience, expertise and insight acquired. Amani Institute will guide you to build your mentorship process and drive the transition to the next stage of your career.

# POST GRADUATE CERTIFICATE IN SOCIAL INNOVATION MANAGEMENT

5 months  
Flexible location  
Approx. 5 hours a week

# 3

4 months  
Nairobi or São Paulo  
Approx. 40-50 hours a week

# 2

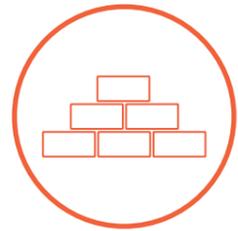

1 month  
Flexible location  
Approx. 15-20 hours a week

# 1
